Response to Amendment

This Office Action is in response to applicant's amendment filed on July 5, 2005. Claims 1-16 have been cancelled. Claims 17-32 are newly added claims.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Mark Leonardo on August 17, 2005.

The application has been amended as follows:

Cancel claims 28-32.

Allowable Subject Matter

Claims 17-27 are allowed.

The following is an examiner's statement of reasons for allowance: the art of record when applied alone or in combination neither renders obvious an apparatus for protecting a wearer's eyes and face from contact with infectious materials comprising: (a) a flexible frame (10) with an outside surface; (b) at least one guard (25) extending inwardly from the flexible frame, the at

least one guard (25) configured to abut the wearer's forehead when the apparatus is positioned on the wearer's head; (c) a plurality of projections (30) spaced along the outside surface of the flexible frame, the projections (30) having a head (31) and a body (33); and (4) a transparent shield (35) having a first portion, the first portion of the transparent shield defining a plurality of expandable openings (55), the expandable openings (55) having a non-expandable size smaller than that of the head (31) of the projections (30), the expandable openings (55) providing a snap-fit over the projections (30), leaving no opening or space once the projection (30) has been fit with the expandable opening (55).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Camtu T. Nguyen whose telephone number is 571-272-499. The examiner can normally be reached on (M-F) 8:30-5:00.
